

Sustaining Our Towns Workshop Series

Home Retrofitting for Better Energy Efficiency

When - 7.00pm - 9.00pm on Thursday 28th July 2011

Where - Bywong Community Hall, 67 Birriwa Rd, Bywong

Who - Bywong Community Association members and other interested people

Join the Bywong Community Association and friends at the Bywong Community Hall to learn some helpful tips about how to improve the energy efficiency of your home.

- Cover some of the principles and techniques for reducing the energy needed to heat and cool our homes.
- Understanding the building envelope and how to achieve comfort in the home with lower power bills.
- Discuss options and issues to do with lighting and energy efficiency.
- Discover some simple and low cost strategies for reducing our ecological footprint at home.

... AND MORE

There will be time for discussion and questions and "workshopping" some innovative solutions to specific problems.

ALL WELCOME

no RSVP required but enquiries welcome to Annie Duke
