Sustaining Our Towns Workshop Series

PERMACULTURE ON THE MONARO

When- 19TH November 2011

Where- Cooma TAFE

Discover how to-

- Design a self-sustaining garden
- Increase productivity and extend the growing season
- Grow a wide range of fruit and veg in the harsh Monaro climate

GUEST SPEAKER- Emily Griffin from GRIFFIN PERMACULTURE

*The workshop will begin in the classroom at the Cooma TAFE and the afternoon will be a practical class in a permaculture garden so bring a hat, drink and sensible garden shoes!

*RSVP is essential by -17th November 2011 as numbers are limited
